

Wedding Information Sheet 9

## Video Recordings

- ⊙ As well as being a legal ceremony, the Marriage Service is an act of Christian Worship and should be respected as such at all times.
- ⊙ Video recording is permitted strictly at the discretion of the Rector, and certain terms and conditions apply (see below)
- ⊙ You will find in this pack a copy of the *Application Form for Permission to use Video Cameras in Church*. Please pass the second copy of this information sheet to the Video operator, and ensure that they complete the relevant sections of the Application Form (Full Name, Address and Telephone plus signature) before returning it to the Parish Office **before the day of your rehearsal**. Please note, you do not need to get the Rector's signature before returning your form.
- ⊙ Usually the bride or groom will be the 'Applicant' and should complete the other relevant sections of the form before returning it.
- ⊙ The Terms & Conditions of permission being granted are as follows:
  1. That at all times the camera operator will act with due care and discretion befitting an act of Christian worship.
  2. That the camera operator will act strictly in accordance with the directions of the officiating priest and/or Verger.
  3. That **NO ADDITIONAL LIGHTING** will be used, and all equipment will have its own integral power supply.
  4. That recording will be made from a fixed position in Church—either from the Gallery or the front of the South Aisle—with no movement during the service.
  5. That the recording will only be used for personal viewing, and not copied for any public or commercial purposes whatsoever.
  6. That the responsibility for obtaining necessary copyright permission in relation to words or music so recorded rests solely with the Applicant/Operator named above.
  7. That the Applicant and Operator indemnify the Rector, Church Wardens and PCC against any third party claims arising from permission being given for recording to take place, including any claims for breach of copyright.
  8. That the non-returnable fees are paid to the Organist in respect of professional performing rights, and to the Church Council, establishing a legal relationship thereby.

*N.B: If at any time during the service these Terms & Conditions are breached, the ceremony may be halted and recording stopped.*
